

The Bruce Turner Award

Your chance to apply for a free fully funded place at conference

Bruce Turner was a well known and loved BAUN member, a nurse consultant at the Homerton Hospital, London, and BAUN Education lead for many years.

Bruce was quite simply awesome. His love for Urology was indisputable and his enthusiasm for education for nurses was an indomitable force. During his time on BAUN council, he was instrumental in designing and organising informative programs and free study days which were accessible to all in Urology.

Our beloved friend and colleague died last year after a terminal diagnosis of cancer. He was determined to continue his mission to educate and impassion Urological nurses and left instructions that a legacy should continue in his name. His legacy has been used to establish The Bruce Turner Award: an annual prize which will provide a fully funded place (Transport, accommodation and conference fees) to the BAUN annual conference.

Bruce always encouraged and supported urology nurses to attend conference. He strove to enhance our knowledge and rejuvenate our love for this diverse speciality; not only through the education programme, but also through socialising with friends, colleagues and peers, and we are proud to continue his legacy through this award.

If you feel that you could benefit from this opportunity, please complete the attached application form and email to leah.gillott@fitwise.co.uk or return a hard copy in the post to **BAUN Annual Conference, Fitwise, Blackburn House, Redhouse Rd, Seafield, Bathgate EH47 7AQ**. We strongly encourage junior urology nurses to apply but all applications will be considered.

The closing date is the **1st September 2017** for this year's conference in Glasgow.
